24 **Vocational Nurse License**

25 2. On or about May 29, 1996, the Board issued Vocational Nurse License Number VN

STATUTORY PROVISIONS

3. Section 2875 of the Business and Professions Code ("Code") provides, in pertinent part, that the Board may discipline the holder of a vocational nurse license for any reason provided in Article 3 (commencing with section 2875) of the Vocational Nursing Practice Act.

4. Code section 118, subdivision (b) provides, in pertinent part, that the expiration of a license shall not deprive the Board jurisdiction to proceed with a disciplinary action during the period within which the license may be renewed, restored, reissued or reinstated. Under Code section 2892.1, the Board may renew an expired license at any time within four years after the expiration.

5. Code section 2878.8 states:

The Board may deny any application or may suspend or revoke any license issued under this chapter based upon the denial of licensure, suspension, restriction, or other disciplinary action of a license by another state, any other governmental agency, or by another California health care professional licensing board. A certified copy of the finding shall be conclusive evidence of that action provided that, if from another state, the findings establish an act which if committed in California would be grounds for discipline.

COST RECOVERY

6. Code section 125.3 provides, in pertinent part, that the Board may request the administrative law judge to direct a licentiate found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case.

CAUSE FOR DISCIPLINE

(Disciplinary Action by another Governmental Agency)

7. Respondent is subject to discipline pursuant to Code section 2878.8, in that Respondent has been disciplined by the California Board of Registered Nursing ("BRN"). Effective March 15, 2010, pursuant to the BRN's Decision and Order in Accusation No. 2010-51, Respondent's Registered Nurse License No. 679062 was revoked; however, the revocation was stayed and Respondent was placed on probation for three (3) years. The basis for discipline was that Respondent committed acts constituting gross negligence, incompetence, and unprofessional conduct by failing to continue performing CPR on patient R.B., whose chart did not contain a

1 “Do Not Resuscitate” order. A true and correct copy of the BRN’s Decision and Order is
2 attached hereto, marked Exhibit A, and incorporated herein by this reference.

3 **PRAYER**

4 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,

8 Emelda Onyema Mbara, also known as Emelda Mary Achodo;

9 2. Ordering Emelda Onyema Mbara, also known as Emelda Mary Achodo to pay the

DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Registered Nurse License No. 679062 issued to Respondent Emelda Onyema Mbara (Respondent) is revoked. However, the revocation is stayed and Respondent is placed on probation for three (3) years on the following terms and conditions.

SEVERABILITY CLAUSE: Each condition of probation contained herein is a separate and distinct condition. If any condition of this Order, or any application thereof, is declared unenforceable in whole, in part, or to any extent, the remainder of this Order, and all other applications thereof, shall not be affected. Each condition of this Order shall separately be valid and enforceable to the fullest extent permitted by law.

1. **OBEY ALL LAWS:** Respondent shall obey all federal, state and local laws. A full and detailed account of any and all violations of law shall be reported by Respondent to the Board in writing within seventy-two (72) hours of occurrence. To permit monitoring of compliance with this condition, Respondent shall submit completed fingerprint forms and fingerprint fees within 45 days of the effective date of the decision, unless previously submitted as part of the licensure application process.

2. **COMPLY WITH THE BOARD'S PROBATION PROGRAM:** Respondent shall fully comply with the conditions of the Probation Program established by the Board and cooperate with representatives of the Board in its monitoring and investigation of the Respondent's compliance with the Board's Probation Program. Respondent shall inform the Board in writing within no more than 15 days of any address change and shall at all times

///

1 maintain an active, current license status with the Board, including during any period of
2 suspension.

3 Upon successful completion of probation, Respondent's license shall be fully restored.

4 3. **REPORT IN PERSON:** Respondent, during the period of probation, shall appear
5 in person at interviews/meetings as directed by the Board or its designated representatives.

6 4. **RESIDENCY, PRACTICE, OR LICENSURE OUTSIDE OF STATE:**
7 Periods of residency or practice as a registered nurse outside of California shall not apply toward
8 a reduction of this probation time period. Respondent's probation is tolled, if and when she
9 resides outside of California. Respondent must provide written notice to the Board within 15 days
10 of any change of residency or practice outside the state, and within 30 days prior to re-
11 establishing residency or returning to practice in this state.

12 Respondent shall provide a list of all states and territories where she has ever been licensed
13 as a registered nurse, vocational nurse, or practical nurse. Respondent shall further provide infor-
14 mation regarding the status of each license and any changes in such license status during the term
15 of probation. Respondent shall inform the Board if she applies for or obtains a new nursing
16 license during the term of probation.

17 5. **SUBMIT WRITTEN REPORTS:** Respondent, during the period of probation,
18 shall submit or cause to be submitted such written reports/declarations and verification of actions
19 under penalty of perjury, as required by the Board. These reports/declarations shall contain

26 probation, shall engage in the practice of registered nursing in California for a minimum of 24
27 hours per week for 6 consecutive months or as determined by the Board.

28 For purposes of compliance with the section, "engage in the practice of registered nursing"

2 non-direct patient care position that requires licensure as a registered nurse.

3 The Board may require that advanced practice nurses engage in advanced practice nursing
4 for a minimum of 24 hours per week for 6 consecutive months or as determined by the Board.

5 If Respondent has not complied with this condition during the probationary term, and
6 Respondent has presented sufficient documentation of her good faith efforts to comply with this
7 condition, and if no other conditions have been violated, the Board, in its discretion, may grant an
8 extension of Respondent's probation period up to one year without further hearing in order to
9 comply with this condition. During the one year extension, all original conditions of probation
10 shall apply.

11 **7. EMPLOYMENT APPROVAL AND REPORTING REQUIREMENTS:**

12 Respondent shall obtain prior approval from the Board before commencing or continuing any
13 employment, paid or voluntary, as a registered nurse. Respondent shall cause to be submitted to
14 the Board all performance evaluations and other employment related reports as a registered nurse
15 upon request of the Board.

16 Respondent shall provide a copy of this Decision to her employer and immediate
17 supervisors prior to commencement of any nursing or other health care related employment.

18 In addition to the above, Respondent shall notify the Board in writing within seventy-two
19 (72) hours after she obtains any nursing or other health care related employment. Respondent
20 shall notify the Board in writing within seventy-two (72) hours after she is terminated or
21 separated, regardless of cause, from any nursing, or other health care related employment with a
22 full explanation of the circumstances surrounding the termination or separation.

23 **8. SUPERVISION:** Respondent shall obtain prior approval from the Board
24 regarding Respondent's level of supervision and/or collaboration before commencing or
25 continuing any employment as a registered nurse, or education and training that includes patient
26 care.

27 Respondent shall practice only under the direct supervision of a registered nurse in good
28 standing (no current discipline) with the Board of Registered Nursing, unless alternative methods

1 of supervision and/or collaboration (e.g., with an advanced practice nurse or physician) are
2 approved.

3 Respondent's level of supervision and/or collaboration may include, but is not limited to the
4 following:

5 (a) Maximum - The individual providing supervision and/or collaboration is present in
6 the patient care area or in any other work setting at all times.

7 (b) Moderate - The individual providing supervision and/or collaboration is in the patient
8 care unit or in any other work setting at least half the hours Respondent works.

9 (c) Minimum - The individual providing supervision and/or collaboration has person-to-
10 person communication with Respondent at least twice during each shift worked.

11 (d) Home Health Care - If Respondent is approved to work in the home health care
12 setting, the individual providing supervision and/or collaboration shall have person-to-person
13 communication with Respondent as required by the Board each work day. Respondent shall
14 maintain telephone or other telecommunication contact with the individual providing supervision
15 and/or collaboration as required by the Board during each work day. The individual providing
16 supervision and/or collaboration shall conduct, as required by the Board, periodic, on-site visits to
17 patients' homes visited by Respondent with or without Respondent present.

18 9. **EMPLOYMENT LIMITATIONS:** Respondent shall not work for a nurse's
19 registry, in any private duty position as a registered nurse, a temporary nurse placement agency, a
20 traveling nurse, or for an in-house nursing pool.

21 Respondent shall not work for a licensed home health agency as a visiting nurse unless the
22 registered nursing supervision and other protections for home visits have been approved by the
23 Board. Respondent shall not work in any other registered nursing occupation where home visits
24 are required.

25 Respondent shall not work in any health care setting as a supervisor of registered nurses.
26 The Board may additionally restrict Respondent from supervising licensed vocational nurses
27 and/or unlicensed assistive personnel on a case-by-case basis.
28

Respondent shall not work as a faculty member in an approved school of nursing or as an instructor in a Board approved continuing education program.

Respondent shall work only on a regularly assigned, identified and predetermined work-site(s) and shall not work in a float capacity.

If Respondent is working or intends to work in excess of 40 hours per week, the Board may request documentation to determine whether there should be restrictions on the hours of work.

10. **COMPLETE A NURSING COURSE(S)**: Respondent, at her own expense, shall enroll and successfully complete a course(s) relevant to the practice of registered nursing no later than six months prior to the end of her probationary term.

Respondent shall obtain prior approval from the Board before enrolling in the course(s). Respondent shall submit to the Board the original transcripts or certificates of completion for the above required course(s). The Board shall return the original documents to Respondent after photocopying them for its records.

11. **COST RECOVERY**: Respondent shall pay to the Board costs associated with its investigation and enforcement pursuant to Business and Professions Code section 125.3 in the amount of \$6,100.00. Respondent shall be permitted to pay these costs in a payment plan approved by the Board, with payments to be completed no later than three months prior to the end of the probation term.

If Respondent has not complied with this condition during the probationary term, and Respondent has presented sufficient documentation of her good faith efforts to comply with this condition, and if no other conditions have been violated, the Board, in its discretion, may grant an extension of Respondent's probation period up to one year without further hearing in order to comply with this condition. During the one year extension, all original conditions of probation will apply.

12. **VIOLATION OF PROBATION**: If Respondent violates the conditions of her probation, the Board after giving Respondent notice and an opportunity to be heard, may set aside the stay order and impose the stayed discipline (revocation/suspension) of Respondent's license.

1 If during the period of probation, an accusation or petition to revoke probation has been
2 filed against Respondent's license or the Attorney General's Office has been requested to prepare
3 an accusation or petition to revoke probation against Respondent's license, the probationary
4 period shall automatically be extended and shall not expire until the accusation or petition has
5 been acted upon by the Board.

6 13. LICENSE SURRENDER: During Respondent's term of probation, if she ceases
7 practicing due to retirement, health reasons or is otherwise unable to satisfy the conditions of
8 probation, Respondent may surrender her license to the Board. The Board reserves the right to
9 evaluate Respondent's request and to exercise its discretion whether to grant the request, or to
10 take any other action deemed appropriate and reasonable under the circumstances, without further
11 hearing. Upon formal acceptance of the tendered license and wall certificate, Respondent will no
12 longer be subject to the conditions of probation.

13 Surrender of Respondent's license shall be considered a disciplinary action and shall
14 become a part of Respondent's license history with the Board. A registered nurse whose license
15 has been surrendered may petition the Board for reinstatement no sooner than the following
16 minimum periods from the effective date of the disciplinary decision:

17 (a) Two years for reinstatement of a license that was surrendered for any reason other
18 than a mental or physical illness; or

19 (b) One year for a license surrendered for a mental or physical illness.

JURISDICTION

3. Section 2750 of the Business and Professions Code (Code) provides, in pertinent part, that the Board may discipline any licensee, including a licensee holding a temporary or an inactive license, for any reason provided in Article 3 (commencing with section 2750) of the Nursing Practice Act.

4. Code section 2764 provides, in pertinent part, that the expiration of a license shall not deprive the Board of jurisdiction to proceed with a disciplinary proceeding against the licensee or to render a decision imposing discipline on the license. Under Code section 2811(b), the Board may renew an expired license at any time within eight years after the expiration.

STATUTORY PROVISION

5. Code section 2761 states, in pertinent part:

The board may take disciplinary action against a certified or licensed nurse or deny an application for a certificate or license for any of the following:

(a) Unprofessional conduct, which includes, but is not limited to, the following:

(1) Incompetence, or gross negligence in carrying out usual certified or licensed nursing functions.

REGULATORY PROVISIONS

6. California Code of Regulations, title 16, section 1442, states:

As used in Section 2761 of the code, 'gross negligence' includes an extreme departure from the standard of care which, under similar circumstances, would have ordinarily been exercised by a competent registered nurse. Such an extreme departure means the repeated failure to provide nursing care as required or failure to provide care or to exercise ordinary precaution in a single situation which the nurse knew, or should have known, could have jeopardized the client's health or life.

7. California Code of Regulations, title 16, section 1443, states:

As used in Section 2761 of the code, 'incompetence' means the lack of possession of or the failure to exercise that degree of learning, skill, care and experience ordinarily possessed and exercised by a competent registered nurse as described in Section 1443.5.
